Dear Young Leader **Christopher Reed**:

On behalf of Lions Clubs International, I congratulate you on receiving the Lions Young Leaders in Service Award. Through your hours of service you have been a beacon of hope when you helped improve the lives of others by making your community a better place to live. I join your family, friends, local Lions club and community in commending you for accepting the challenge of community service. I hope you will continue to be a source of energy and enthusiasm for those around you as you make service a priority in your life.

Lions Clubs International offers many other opportunities for outstanding young people such as international youth camps and exchanges, in addition to the Leo Club Program. There are approximately 145,000 Leo club members in more than 140 countries that are currently participating in unique service and leadership opportunities. You may get more information on Lions opportunities by visiting the Lions Web site at www.lionsclubs.org and clicking on Member Center/Planning Projects/Youth.

Again, congratulations, and best wishes for a successful future.
